11	Extension Activities						

	Farmer Trainings (Pashu Vignana Sadassu)	I have conducted 632 Farmers awareness trainings IN THE DISTRICT with the achievement percentage of 117.69% in this year.
	Health camps	I have conducted 83 Animal health camps, 173 LSD Camps, 273 Sheep & Goat health Camps in this year.
	Fodder Seed Distribution	I have distributed 40,823 kgs of fodder seed to the farmers and brought 2,041 Acres of Land under fodder cultivation.
	Sheep Deworming	627069 sheep and goat were dewormed in every round of deworming. We conduct 3 rounds of deworming every year .
	Farm Visits	Local Goshalas and Big farms available visited at about 33.
	Krishi Kalyan Abhiyan Yojana	In Nirmal district at about 7200 farmers submitted applications to Banks under KKAY and monitored.
	Vaccinations	I. CATTLE & BUFFALOES: 1.FMD Vaccination for cattle and buffalo: white: 132490 , Black : 94420 Total : 226910 2.HS Vaccination for targetted population: 46059 3. BQ Vaccination for targetted population: 8106 4.Brucellosis Vaccination: 999
		II.SHEEP & GOAT: 1.ET Vaccination for targetted population : 39619 2. PPR for sheep and goat : We have conducted vaccine for 33 % of the sheep and goat population ie., 159337 of sheep and 41230 of goat , Total : 200567. 3.Sheep Pox Vaccination : 163341 4.Goat Pox Vaccination : 41541
12	Other Activities	I. Avisa Plants Distribution: We took special care about our farmers and convinced our District Collector and District Rural Development officer to grow Avisa Plants in each and every nursery throughout the district and grown about 1.50 lakhs Avisa plants and we have distributed around 1. 22 Lakh Avisa plants to sheep and dairy farmers in Nirmal District to minimise feed cost and provide highly nutritious legumenous fodder to sheep and large animals. we have distributed these plants with respected district collector and Hon'ble Forest Minister and other public representatives in Telanganaku Haritha Haram programme during the year 2019 July and survival rate is 85% and now farmers are using these branches as fodder to the sheep and large animals and expressed their feelings very happy.
		II. As a Constituency special officer : I worked as a Special Monitoring officer in Mudhole Constituency for Government flagship programme " Palle Pragathi" and visited many villages and educated and motivated the villagers and local public representatives like Sarpanch, MPTC, ward members regarding sanitation, plantation, literacy rate, health and hygiene ,Construction of toilets etc., .

III. As a special officer for Pattana Pragathi : I also worked as a Special Monitoring officer in Nirmal Municipality for Government flagship programme " Pattana Pragathi" and visited 5 Wards and educated the public and local public representatives like ward counsellors regarding sanitation, plantation, health and hygiene , eradication of plastic etc., .

IV. COVID-19 Containment area special officer : As per the District Collector orders I worked as special officer in Covid -19 containment area for a period of 2 months. During that time I distributed vegetables, rice and essential commodities to the public and monitored social distancing , given counselling to covid affected families

V. Nodal Officer for Fish and prawns seedlings release in Reservoirs and Major Tanks: My working place Nirmal is very nearer to Sri Ram Sagar Project . Many number of fishermen depend on this project and I am appointed as Nodal officer for Fish seedlings and prawns released into SRSP check dams, Swarna Project and local water bodies. This program is inaugurated by Sri. Talasani Srinivas Yadav , Honourable Minister of Animal Husbandry & Fisheries and Dr.M. Laxma Reddy , Director of Veterinary and Animal Husbandry Department . Under this program we have introduced near about 60 lakhs fish and prawn seedlings were introduced into the water bodies.

VI. E-office : To minimise stationary usage and transparency , Nirmal District collector innovatively started e-office program from April 2020 onwards and which drastically reduces the usage of paper . In this system we have to submit all files in specially created district portal and we can get the authorization through that portal only with digital signature provided to each and every section. With minimum technical staff in my department i.e., Veterinary and Animal Husbandry Department stood second position after Revenue department among all other departments in the district.

VII. Construction of compound wall and Gate: As a District officer maintaining sound communication and association with District Collector succeeded in sanction of Rs. 3 Lakhs for construction of collapsed compound wall and gate which were neglected from past 10 years and completed the compound wall and gate with new look .

VIII. Haritha Haram In DVAHO office: We have planted more than 800 plants in office premises with 100% survival rate which includes flowering, fruit bearing and shady plants and medicinal plants with drip system without asking any budget from any department with my personal interest in addition perineal fodder plot and stylohemata fodder plot.

	<p>IX. ESTABLISHMENT OF MRCC CENTRE IN NIRMAL: First of its kind, We have established Monkey Rescue and Rehabilitation Centre in Nirmal district and conducting Vasectomy and tubectomy to the caught monkeys through laparoscopic method in coordination with forest department to minimise the monkey manace in all the villages of Nirmal district Primarily then after to nearby districts. This rehabilitation centre is second in India and first in South India. After taking over my charge as DVAHO, Nirmal, I have send the 2 VASs and one para vet for training at Simla of Himachal Pradesh and got handful training and recently started the centre by the Honarable Forest Minister Sri.Indra Karan Reddy garu on 20.12.2020. With the help of Principal secretary madam and Director of Animal Husbandry, one VAS and one paravet got deputation to the MRCC.</p> <p>X. Worked as Returning officer, Basar for Zilla Parishad Territorial Constituency members and conducted elections successfully.</p>
--	---

Remarks: All these Programmes have been perfectly planned, supervised and monitored and implemented successfully in Nirmal district in coordination with the field staff . The relevant reports are enclosed herewith for kind perusal.
